

Western Roundup / Living Sober of San Francisco, Inc. Purpose and Intent Resolution

MISSION STATEMENT

The purpose and intent of Living Sober is to celebrate our sobriety at an annual conference to be held in San Francisco, California, and known as Western Roundup / Living Sober of San Francisco.

Living Sober will provide a sober environment for gay, lesbian, bisexual and transgender members within the fellowship of Alcoholics Anonymous; our purpose is to support individual sobriety and maintain unity.

Living Sober will structure its activities within the Twelve Traditions of Alcoholics Anonymous and the AA Guidelines for Conferences and Conventions. To this end, the Living Sober General Planning Committee will each year approve a conference budget with an affordable registration fee. It is our intent to provide services so that the conference is accessible to all. It is our intent to establish a scholarship fund for conference registration fees, fully provided by member donations; it is our hope to adequately address the needs for those with a lack of funds.

ORGANIZATIONAL STRUCTURE

Living Sober will be structured with three organizational elements:

- General Planning Committee
- Advisory Board
- Steering Committee

It is our intention that these three elements will operate in a system of checks and balances so that no one element will attain an ascendancy over the others. It is also our intention that the spiritual principles of the Twelve Traditions, the Twelve Concepts, and the Six General Warranties of Alcoholics Anonymous will always be the guidelines for our organization. This will assure that our leaders will always be trusted servants; they will not govern.

The general responsibilities of these organizational elements will be:

GENERAL PLANNING COMMITTEE

General Planning Committee, which consists of all Living Sober volunteers, Subcommittee Co-Chairs, and Subcommittee members; is our basic decision-making body, and will act as the group conscience of Living Sober. The General

It is responsible for all legal and fiduciary matters, has final approval over the yearly budget of the Living Sober Conference, and has specific authority to protect the Purpose and Intent of Western Roundup / Living Sober of San Francisco, Inc. as spelled out in this document.

SPECIFIC DUTIES OF GENERAL PLANNING COMMITTEE AND ITS SUBCOMMITTEES

In addition to its functions as the basic decision-making body of Living Sober, the other planning functions of the General Planning Committee will be carried out by the formation of subcommittees. Within the guidelines of this document, all subcommittees are autonomous in planning and coordinating their specific activities as outlined for each subcommittee under the SUBCOMMITTEE DEFINITIONS section of this document. Subcommittees are to cooperate fully with the General Planning and Steering Committees as well as the Advisory Board, and to adhere to AA and Al-Anon guidelines for participation in an AA conference. Decisions made by subcommittees must be brought to the General Planning Committee for approval by simple majority vote (more than one-half of the votes cast)

SUBCOMMITTEE CO-CHAIRS

The purpose of these positions is to provide the scheduling necessary and to conduct appropriate meetings. The co-chairs facilitate and oversee the subcommittee meeting, and report to the General Planning and Steering Committees at the appropriate meeting times. It is recommended that Subcommittee Co-Chairs have at least two years clean and sober and one year of experience working on Living Sober.

AL-ANON SUBCOMMITTEE

Al-Anon participates in the Living Sober Conference as an invited guest. In subcommittee meetings, any issues dealing with Al-Anon only will be voted on by Al-Anon members only. AA issues will be voted on by AA members only. Those persons who are in both programs may vote on all issues. It is recommended that Al-Anon Subcommittee Co-Chairs have a minimum of two years of recovery in Al-Anon and one year's experience working on Living Sober.

ORGANIZATION, RESPONSIBILITIES AND AUTHORITY OF THE ADVISORY BOARD

RESPONSIBILITIES OF THE ADVISORY BOARD

The Advisory Board will be in charge of all legal affairs, will have fiduciary accountability, and will have responsibility for final approval of the yearly conference budget. The Board will have a responsibility to uphold the Twelve Traditions of Alcoholics Anonymous as they affect the Living Sober organization as a whole and will also have a responsibility to uphold this document as it outlines the principles of the organization, and will have the right and responsibility to veto any action, which violates the Purpose and Intent Resolution. In addition, the Board will have overall authority and responsibility for maintaining the non-profit status of Living Sober, assuring compliance with applicable laws, and maintaining appropriate loss and liability insurance coverage for the organization.

RELATIONSHIP OF THE ADVISORY BOARD TO GENERAL PLANNING AND STEERING COMMITTEES

The Board will not be involved in the day-to-day decision-making process, which properly belongs to the Steering and General Planning Committees. The relationship between the Board and the General Planning and Steering Committees should always be mutually supportive with the Board offering experience, strength and hope based on continuity of service for Living Sober. The Board will always have a representative at General Planning, the Steering Committee will always have a representative (Chair or designate) at Board Meetings. All Board meetings will be open to members of the General Planning

Committee. No Board member may serve concurrently as a Steering Committee member or Co-Chair of a Living Sober Subcommittee.

KIND AND DEGREE OF AUTHORITY OF THE ADVISORY BOARD

Authority of the Advisory Board shall be guided by the Six Warranties (Source: Concept 12 - World Service Manual). We state them here for clarity:

1. The Living Sober Conference shall never become the seat of perilous wealth or power.
2. Sufficient operating funds plus an ample reserve should be its prudent financial principle.
3. None of the Board members shall ever be placed in a position of unqualified authority over any of the others or over members of the Living Sober Steering or Planning Committees.
4. All Important decisions should be reached by discussion, vote and, wherever possible, by substantial unanimity.
5. No Board action shall ever be personally punitive or an incitement to public controversy.
6. Though the Board may act for the service of Living Sober, and thus for Alcoholics Anonymous, it shall never perform any acts of government, and that, like Living Sober and the Fellowship of Alcoholics Anonymous, which it serves, the Board itself will always remain democratic in thought and action.

NON-LIABILITY OF DIRECTORS AND OFFICERS

Directors and officers shall not be held individually liable for any debts, contracts, liabilities or engagements of the corporation and shall be indemnified by the corporation for any liabilities or costs incurred or imposed by them arising out of the proper exercise of their duties as such. The corporation shall have the duty to defend any Director or Officer in any suit arising out of the proper exercise of his/her duties as a member of the Board of Directors.

CHECKS AND BALANCES BETWEEN THE ADVISORY BOARD, THE GENERAL PLANNING COMMITTEE, AND THE SUBCOMMITTEES

The system of checks and balances between the three organizational elements of Living Sober will be based on the division of responsibility and authority.

The General Planning Committee serves as the group conscience of the entire organization and its Subcommittees are charged with the actual planning and carrying out of the conference and other functions of Living Sober.

Purpose and Intent Resolution for Western Roundup / Living Sober

The Steering Committee is charged with the day-to-day decision-making, and with responsibility for the creation of and adherence to the annual Conference budget.

The Advisory Board has ultimate and fiduciary responsibility, has final approval of the annual budget, and is particularly charged with oversight of matters such as insurance and non-profit status which require continuity of vision and execution.

The most important guiding principle in these matters is Warranty Six: democratic in thought and action, "We expect our conference always to try to act in the spirit of mutual respect and love - one member to another"

PROCEDURE TO MODIFY THE PURPOSE AND INTENT RESOLUTION

The procedure for modifying this document shall be as follows:

1. Any proposed amendment of the Purpose and Intent shall be initially presented to the General Planning Committee. The General Planning Committee shall discuss the proposal and vote on whether or not to refer the proposal to an ad hoc committee for consideration. The decision to submit the proposal to the ad hoc committee will require a simple majority of the votes cast.
2. The ad hoc committee shall be composed of members of the General Planning Committee and members of the Advisory Board. The ad hoc committee shall be directed to write the language and propose a timeline of enactment for the amendment of the Purpose and Intent for presentation to the General Planning Committee.
3. Approval by the General Planning Committee will require a 2/3 vote in order to present the proposed amendment to the Advisory Board. If a 2/3 majority is not achieved by the General Planning Committee, General Planning may vote to resubmit the proposed amendment to the ad hoc committee for revision, or it may table or withdraw the amendment.
4. If the General Planning Committee approves the amendment of the Purpose and Intent, the amendment will be submitted to the Advisory Board at its next meeting following the approval of the amendment by the General Planning Committee. If the Advisory Board approves the amendment by a 2/3 majority, the amendment is considered approved and final.
5. If the Advisory Board does not approve the amendment, the amendment is returned to the General Planning Committee for reconsideration. The General Planning Committee will at its next meeting following the Advisory Board's decision, notify the membership of the General Planning Committee that a second vote will be taken on the proposed amendment at the next meeting of the General Planning Committee. Approval will require a 2/3 vote of the membership at the next meeting of the General Planning Committee, and a vote for approval will override the Advisory Board's vote. If the required 2/3 vote for approval is obtained, the amendment will be final.
